Check your score according to the following key:

<b>Score Level of Financial Fitness</b>	
30 or less	Very high
31 - 50	High
51 - 70	Moderate
71 - 100	Low
101 - 125	Very low

## **Understanding Your Score**

Very high	If your financial fitness score is “Very high,” look for ways to adopt methods of financial management that will ensure your continued financial fitness long into the future.
Moderate to high	If your financial fitness score is “Moderate” or “High” look for new ways to increase your financial fitness. Much of what you are doing is placing you on the right path; with some additional adjustments, however, you can move to a higher level of financial fitness. BDO Dunwoody New Beginnings Financial Fitness program can help you achieve your goals.
Low to very low	If your financial fitness score is “Low” or “Very low,” you need to learn and adopt the principles and methods that will assist you with developing new thought processes, behaviors, and habits. You need to place yourself on a new financial path and your BDO Dunwoody New Beginnings advisor can help create a financial fitness program that will help you be successful with this objective.
